WINES

At Harvey's, we take pride in our rich heritage as an established Wine and Spirit Merchant since the 1790s. Today, under the expertise of our Wine Buyer, Andrew Harris, we source exceptional wines from small producers worldwide. Located in Sussex, we also have the privilege of collaborating with local English wine producers, delivering their award-winning vintages to your glass.

BENEFITS OF BUYING WINES FROM HARVEY'S

More than just selling wine, we are passionate about education and offering a tailored service. Andrew Harris, with over 20 years of wine experience and a WSET Diploma, leads our team, and hosts number of tastings both at the brewery and with wine accounts throughout the year. Our Area Sales Managers are meticulously trained to not just sell wine, but to find the perfect wine and price point for you, our valued customers.

DEDICATED BUYING TEAM

Harvey's wine buying team have many decades of experience behind them. Our own Chairman is always present for the final tasting, though nothing passes this stage unless we are all in agreement.

PURCHASING POWER

Our retail wine sales are only a relatively small part of our wine business. We deal with hundreds of Public Houses and Restaurants, greatly increasing our buying power and flexibility. When directly shipping wines from all over the world we can ensure that each pallet is topped with a delightful range of wines to keep our shop well stocked.

DIRECT AND COURIER DELIVERIES

We've a fleet of our vehicles which serve much of Sussex, Kent, South London and beyond, ensuring your goods arrive in good time and good condition. Where we need to use Couriers to get the wines a little further afield we use a glass sensitive service and robust packaging.

REGULAR TASTINGS

Find out for yourself just how good the wines are by joining us for one of our regular in store tastings. **Sign up now** and don't miss exclusive Harvey's Events.

QUALITY FIRST

We don't offer heavy discounts on our wine range, we price fairly, buy well and look to ensure true value for money for you the customer.

RED WINES: SOFT & FRUITY

Recent trends for big juicy reds with whopping ABV's have been a lot of fun, but sometimes there's room for these lighter red wines. Carefully chosen for their softer style, delicate tannins and approachable character these wines can be great on their own or well matched with lighter food dishes.
